4. Warranty, Indemnity, and Liability Limitation.

HSHS HAS NOT MADE, AND PARTICIPANT HAS NOT RECEIVED, ANY EXPRESS OR IMPLIED WARRANTIES OR REPRESENTATIONS, INCLUDING, BUT NOT LIMITED TO, ANY EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY, ACCURACY, FITNESS FOR A PARTICULAR PURPOSE AND TITLE AND ALL SUCH WARRANTIES ARE HEREBY EXCLUDED.
- 4.4 Limitation of Liability. THE PARTIES EXPRESSLY UNDERSTAND AND AGREE THAT NEITHER PARTY SHALL BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, GOODWILL, USE, DATA LOSS, OR OTHER LOSSES (EVEN IF THE OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) RESULTING FROM: (i) THE USE OR INABILITY TO USE EPICCARE LINK OR THE HEALTH RECORD; (ii) ANY PARTY'S OR USERS' RELIANCE ON THE INFORMATION ON EPICCARE LINK OR THE HEALTH RECORD; (iii) ANY PARTY'S OR USERS' FAILURE TO READ OR ACCESS EPICCARE LINK OR THE HEALTH RECORD IN A TIMELY MANNER; (iv) THE INTERRUPTION, SUSPENSION, OR TERMINATION OF EPICCARE LINK OR THE HEALTH RECORD; OR (v) ANY MATTER OTHERWISE RELATED TO THE PARTY'S OR USERS' USE OF EPICCARE LINK OR THE HEALTH RECORD.

5. Term and Termination.

- 6.1.1 Participant and Users will follow generally accepted standards of medical practice when using EpicCare Link.
- 6.1.2 Participant and Users agree to follow generally accepted standards of medical practice and exercise appropriate clinical decision making when relying on data in EpicCare.
- 6.1.3 If Participant and Users, in the course of using EpicCare, are alerted to a program error that Participant knows or, following generally accepted standards of medical practice, should know, could adversely affect patient care, Participant will promptly alert Users who have a need to know and notify HSHS of the program error within a reasonable time.
- 6.1.4 In addition to the foregoing, Participant and Users will use EpicCare Link and access and use EHR System Data only in accordance with applicable standards of good clinical practice.

7. **Confidentiality and Patient Information.**

7.1 Confidentiality.

- 7.1.1 For the purposes of this Agreement, “**Confidential Information**” means any software (including, without limitation, EpicCare Link and all technical information), material, data and business, financial, operational, customer, vendor, Trade Secrets, and other information disclosed by one Party to the other and not generally known by or disclosed to the public, and shall include, without limitation, the terms of this Agreement. As used herein, “Trade Secrets” includes EpicCare Link and any other trade secrets or other confidential information of Epic protected by operation of law and this Agreement.
- 7.1.2 Each Party shall keep, and shall require its directors, officers, employees, agents and representatives to keep, in confidence all Confidential Information of the other Party and shall not use or disclose to any third parties any of the other Party’s Confidential Information, except as specifically permitted in the Agreement or as required by law. In addition, Participant, and any of its directors, officers, employees, agents and representatives, may not disclose publicly any results of any testing or benchmarking of EpicCare Link or of HSHS’s or Epic’s services without HSHS’s written consent, and such results shall be Confidential Information under this Section of the Agreement. Participant shall limit access to Confidential Information to Users who must have access in order to make proper use of EpicCare Link and the EHR System Data in the Participant’s operations. Participant shall store all Confidential Information in a place reasonably believed to be secure. Participant shall inform all Users that Participant and Users are obligated to keep all Trade Secrets confidential and that it is the policy of the Participant to do so. In the event either Party discovers, or suspects, unauthorized use of or access to the Confidential Information (including, without limitation, any EHR System Data), it shall immediately notify the other Party. Participant is subject to the Wisconsin open records law. Notwithstanding the foregoing or any other provision in this Agreement, except for those provisions that outline federal and state law

requirements regarding the confidentiality and protection of PHI, Participant's compliance with the open records laws shall not be considered a violation of this Agreement. If Participant receives an open records request for HSHS's information that Participant believes must be disclosed under law, Participant will send HSHS written notice of the request before releasing the information, so that HSHS has an opportunity promptly to litigate the disclosure. If Participant's determination of exemption is challenged, Participant will send HSHS written notice of the challenge, so that HSHS has an opportunity promptly to litigate the challenge. Notwithstanding any other provision in this Agreement, Participant is not compelled to litigate any open records disclosure issue.

- 7.1.3 Except for individually identifiable health information, which shall always be confidential, Confidential Information excludes Confidential Information which: (i) is or becomes within the public domain through no act of the receiving Party in breach of this Agreement or any other Agreement, (ii) was in the possession of a Party prior to its disclosure or transfer to such Party and such Party can so prove, (iii) is independently developed by a Party and such Party can so prove, or (iv) is received from another source without any restriction on use or disclosure.
- 7.2 Individually Identifiable Health Information. With respect to any individually identifiable health information, the Parties agree to comply with the privacy and security requirements of HIPAA, the Health Information Technology for Economic and Clinical Health Act (the "HITECH Act"), and all other federal and state privacy and security laws applicable to the exchange and use of the EHR System Data. Each Party shall report any unauthorized uses or disclosures or security incidents in accordance with applicable regulatory requirements, including HIPAA and the HITECH Act.
- 7.3 Protected Health Information and Safeguards. Participant's and Users' Access to the EHR System Data shall be in accordance with the minimum necessary standard set forth in 45 C.F.R. Sections 164.502(b) and 164.514(d) and only as is appropriate to Users' responsibilities. If Users gain inappropriate access to information, Participant will notify HSHS's Privacy Officer.
- 7.4 Reporting of Unauthorized Use or Disclosure of PHI. Participant shall report to HSHS: (1) any use or disclosure of PHI not authorized by this Agreement; (2) any security incident of which it becomes aware; or (3) any allegation, if confirmed by Participant, from any patient or other individual that a User has made an unauthorized use or disclosure of PHI or breached security of PHI. Participant shall make the report to HSHS's Privacy Officer promptly if there are foreseeable patient care consequences, and in any event not more than five (5) business days after Participant confirms such use, disclosure, security incident or allegation. Participant's report shall identify: (i) the nature of the unauthorized use or disclosure, security incident or allegation; (ii) the PHI at issue; (iii) names of workforce involved in the unauthorized use, disclosure, security incident or allegation and the recipient of any unauthorized disclosure; (iv) what Participant has done or shall do to mitigate any harmful effect of the unauthorized use or disclosure, security incident or allegation; and (v) what corrective action Participant has taken or shall take to prevent future similar incidents. Participant shall provide such other information, including a written report, as reasonably requested by HSHS's Privacy Officer. Participant shall impose appropriate sanctions for HIPAA and/or HITECH violations by Users, as determined by Participant and within

Participant's sole discretion, and shall cooperate with HSHS in mitigating any harmful effects of such unauthorized access, use, or violations.

7.5 Notification to Individuals. At HSHS's option, Participant shall be responsible for notifying individuals of the occurrence of any unauthorized uses or disclosures of PHI described in Section 7.4 when HSHS requires notification and to pay the reasonable cost of such notifications, as well as reasonable costs associated with a Breach of PHI, as defined by HIPAA, including but not limited to credit monitoring if appropriate, provided that Participant is solely responsible for the Breach of PHI. Participant must obtain HSHS's approval of the time, manner and content of any such notifications, which approval shall not be unreasonably withheld, provide HSHS with copies of the notification, and provide the notification within sixty (60) days after discovery of the breach, if HSHS immediately notifies Participant that Participant is responsible for notifying individuals. Participant shall have the burden of demonstrating to HSHS that all notifications were made as required, including any evidence demonstrating the necessity of any delay beyond the 60 day calendar notification requirement to affected individuals after the discovery of the breach by HSHS, Participant or any User.

8. Ownership Rights.

8.1 Intellectual Property. Except for the rights granted to Participant under this Agreement, all rights, title, and interest to EpicCare Link, the software applications used to provide EpicCare Link, the User Documentation (as defined in Section 2.1) and any other information, software, or materials provided to Participant by HSHS under this Agreement, shall at all times remain solely with HSHS, Epic, and/or HSHS's other licensors and vendors.

8.2 Epic Ownership. This Agreement does not grant to Participant or any physician or other health care provider any ownership interest in EpicCare Link. Participant and Users are granted access to EpicCare Link as provided in this Agreement. Ownership of EpicCare Link and all intellectual property rights in it shall remain at all times with Epic and, as applicable, HSHS.

9. Miscellaneous.

9.1 Compliance with Laws. Each Party represents and warrants that it has complied, and shall comply and cooperate with the other in its efforts to comply with, in all material respects, all applicable laws and regulations and with all professional and ethical requirements in connection with the fulfillment of its obligations under this Agreement, including, without limitation, the privacy and security requirements of HIPAA and the HITECH Act.

9.2 Subpoenas. In the event that HSHS or Participant is served with a subpoena or other court order relating to the access to or use of EpicCare Link, the Party receiving the subpoena shall, to the extent legally permissible, immediately notify the other Party, and the Parties shall cooperate regarding the response to such subpoena or court order to the extent permitted by law.

9.3 Third Party Beneficiaries. Except as otherwise expressly stated herein, the Parties do not intend to create any enforceable rights in any third party under this Agreement, and there are no third party beneficiaries to this Agreement; provided, however, that Epic shall be a third party beneficiary to this Agreement solely with respect to enforcing the obligations and covenants of the HSHS's agreement with Epic relating to the Epic Care software.

- 9.4 Notices. Unless otherwise specified herein, all notices or demands required or permitted to be given or made under this Agreement, shall be in writing and shall be hand-delivered with signed receipt or mailed by first-class mail, or sent by registered or certified mail, postage prepaid, or sent by overnight courier, addressed to the Parties at the addresses set forth on the signature page to this Agreement. Addresses may be changed by either party by giving written notice thereof to the other Party.
- 9.5 General. Each Party's status in all matters pursuant to this Agreement shall be that of an independent contractor and not an agent of the other. This Agreement and all exhibits referenced herein constitute the entire agreement between Participant and HSHS with respect to the subject matter of this Agreement, and supersedes all other prior and contemporary agreements, understandings and commitments between Participant and HSHS with respect to the subject matter of this Agreement. This Agreement shall not be modified or amended except by a written instrument executed by both Parties. No waiver by a Party of any breach of this Agreement or waiver of any other provision hereunder shall be deemed to be a waiver of any other breach or provision. No failure or delay by a Party to exercise any right it may have by reason of the default of the other Party shall operate as a waiver of default or as a modification of this Agreement or shall prevent the exercise of any right of the non-defaulting party under this Agreement. If any provision of this Agreement is found to be invalid or unenforceable by any court, such provision shall be ineffective only to the extent that it is in contravention of applicable laws without invalidating the remaining provisions hereof. This Agreement shall be governed and interpreted in accordance with the laws of the State of Wisconsin. Neither Party shall be liable for failure to perform under this Agreement if such failure is due to any cause beyond its reasonable control, including, but not limited to, acts of God, governmental authorities, civil disturbances or labor disputes, embargo, riots, acts of war or terrorism, fires, power surges or power failures, malfunctioning communication lines or failures of suppliers. The provisions of Sections 1.3, 2.2, 2.5, 4, 6, 7 and 8 shall survive expiration or termination of this Agreement.
- 9.6 Headings. The headings and subheadings in this Agreement are inserted for convenience of reference only and shall not affect the meaning or interpretation of this Agreement.
- 9.7 Counterparts; Facsimile and pdf Signatures. The Parties agree that this Agreement may be executed in multiple originals, each of which shall be considered an original for all purposes and, collectively, shall be considered to constitute this Agreement. The Parties further agree that signatures transmitted by facsimile or in Portable Document Format (pdf) may be considered an original for all purposes, including, without limitation, the execution of this Agreement and enforcement of this Agreement.
